## SERVICE & REPAIR EXPERTISE

### Ship Repair at Chinese Shipyards

NORTA MIT has extensive experience in organizing and managing ship repair projects at leading shipyards across China, including facilities in Shanghai, Dalian, Qingdao, Nantong, and Zhoushan. Our partner yards are fully certified by major classification societies (DNV, ABS, BV, LR, NK, CCS, etc.) and equipped with modern infrastructure to carry out a full range of repair and maintenance services:

# CARGO STORAGE AND LOGISTICS

To ensure efficient global logistics, we operate a network of strategically located warehouses:

## China:

Specialized facilities in Shanghai and Dalian for pre-consolidation of spares and equipment prior to shipment or delivery to shipyard;

## Europe:

Hamburg (Germany), Las Palmas (Spain).

Our logistics services include:

- **Collection from manufacturer premises;**
- **Repackaging and labeling according to carrier and yard specifications;**
- **Door-to-door or direct-to-vessel delivery coordination;**
- **Preparation of export/import documentation;**
- **Customs clearance.**

We would be pleased to discuss cooperation opportunities and tailor solutions to meet the operational needs of your fleet. Please let us know a convenient time for a meeting - either in person or online.
